

# STOCKHOLM SCARF

## Abbreviations:

k : knit  
p : purl  
yo : yarn over  
sl : slip one

**Dimensions:** 38"x14"

**Gauge:** 14 stitches, 23 rows will be equal to 4" in pattern stitch.

## Materials:

6 mm (US 10) circular needle, in desired length. 60" is recommended for seamless versions.

650 yards of DK weight yarn. Merino, alpaca and blends with manmade fibers are recommended; cottons, silk, bamboo and other fibres with drape are not recommended- unless you want a summer season cowl!

Tapestry needle to weave in ends.

## Notes:

The scarf is meant to be worn looped around the neck twice. Longer or shorter is up to you, but will give different results.

This long and cozy cowl scarf was made by knitting two halves and seaming them together. My reasons for doing this were purely personal- I didn't feel like buying a long needle, and I liked being able to carry it around in my purse for knitting-on-the-go (which wouldn't have been possible once it got too big).

38" long

### Instructions:

Cast on 128 stitches (or 256 if you are knitting in the round).

Begin stitch pattern:

Row 1: \*k1, p1, k3, p2\* repeat until only 2 stitches remain; k1, p1.

Row 2: \*k1, p1, k1, yo, k1, sl1, p2, pass slipped stitch over the p2\* repeat until only 2 stitches remain; k1, p1.

Row 3: \*k1, p1, k2, p3\* repeat until only 2 stitches remain; k1, p1.

Row 4: \*k1, p1, sl1, k2, pass slipped stitch over the k2, p1, yo, p1\* repeat until only 2 stitches remain; k1, p1.

Repeat these four rows until the scarf panel is 14 inches long. This will be the width of the scarf, so if you want it wider, feel free to do more repeats.

Bind off all stitches (I recommend Jeny's surprisingly stretchy bind-off), weave in ends. If knitting in two pieces, make two and seam sides together.
